

C.A.P.A. Productions horticoles
spécialité Pépinières

I. Conifères

1. Cedrus atlantica
 deodara

2. Chamaecyparis lawsoniana "alumni", "lane" et "fletcheri"
 nootkatensis pendula
 pisifera "boulevard" et "pilifera aurea"
 obtusa "nana gracilis"

3. Cryptomeria japonica "elegans"

4. Cupressocyparis leylandii "castlewellan gold"

5. Cupressus macrocarpa "lutea"
 arizonica "glauca fastigiata"

6. Juniperus chinensis "plitzeriana"
 communis "compressa" et "repanda"
 scopulorum "skyrocket"
 squamatana "blue star" et "blue carpet"

7. Picea abies
 pungens "koster" et "glauca globosa"
 albertiana conica

8. Pinus griffithi
 radiata
 nigra
 sylvestris
 pineaster
 mugo

9. Taxus baccata

10. Thuya plicata "atrovirens" et "zebrina"
 occidentalis "emeraude" et "rheingold"

II. Arbres d'ornement et d'alignement

1. Acer campestris
 davidii
 negundo "flamingo" et "aureomarginatum"
 platanoïdes schwedleri nigra
 pseudoplatanus
 saccharinum

2. Betula verrucosa
 verrucosa "purpurea" et "youngii"
 utilis

3. Cercis silicastrum

- | | |
|-----------------|--|
| 4. Carpinus | betulus |
| 5. Fagus | sylvatica
sylvatica "atropurpurea" et "pendula" |
| 6. Liquidambar | styraciflua |
| 7. Liriodendron | tulipifera |
| 8. Prunus | cerasifera nigra
serrulata kanzan |
| 9. Quercus | robur
palustris
ilex
rubra |
| 10. Salix | babylonica
matsudana "tortuosa" |

III. Arbustes d'ornement

- | | |
|------------------------------|-----------------------------|
| 1. Abelia grandiflora | 36. Genista hispanica |
| 2. Acacia dealbata | 37. Genista lydia |
| 3. Acacia floribunda | 38. Genista racemosa |
| 4. Arbutus unedo | 39. Hebe hybride |
| 5. Aucuba japonica | 40. Hibiscus syriacus |
| 6. Berberis darwini | 41. Hydrangrea |
| 7. Berberis stenophylla | 42. Hypericum calycinum |
| 8. Berberis thumbergi | 43. Hypericum hidcote |
| 9. Buddleya davidii | 44. Hypericum mozerianum |
| 10. Callistemon rigidus | 45. Ilex aquifolium |
| 11. Caryopteris clandonensis | 46. Laburnum anagyroides |
| 12. Ceanothus delilianus | 47. Lavandula officinalis |
| 13. Ceanothus impressus | 48. Leycesteria formosa |
| 14. Ceanothus thyrsoiflorus | 49. Olearia solandri |
| 15. Chaenomeles coccinea | 50. Olearia virgata |
| 16. Choisya ternata | 51. Olearia hybride |
| 17. Cistus crispus | 52. Osmanthus heterophyllus |
| 18. Cistus hybride | 53. Phormium tenax |
| 19. Cornus alba | 54. Photinia fraseri |
| 20. Cornus florida | 55. Pittosporum tenuifolium |
| 21. Cotoneaster damneri | 56. Pittosporum tobira |
| 22. Cotoneaster horizontalis | 57. Prunus laurocerasus |
| 23. Cotoneaster microphylla | 58. Prunus lusitanica |
| 24. Cotoneaster franchetti | 59. Rosa hybride |
| 25. Cytisus scoparius | 60. Rosa rugosa |
| 26. Deutzia gracilis | 61. Spirea bumalda |
| 27. Deutzia hybride | 62. Spirea hybride |
| 28. Eleagnus pungens | 63. Teucrium fruticans |
| 29. Eleagnus ebbengei | 64. Teucrium chamaedrys |
| 30. Escallonia macrantha | 65. Viburnum davidii |
| 31. Escallonia hybride | 66. Viburnum opulus |
| 32. Euonimus japonica | 67. Viburnum tinus |
| 33. Euonimus fortunei | 68. Weigelia florida |
| 34. Euonimus europeus | 69. Weigelia hybride |
| 35. Forsythia intermedia | |

IV. Arbres et arbustes fruitiers

- | | |
|--------------------|----------------|
| 1. Actinidia | 6. Groseillier |
| 2. Castanea sativa | 7. Cassis |
| 3. Juglans regia | 8. Malus |
| 4. Corylus | 9. Pyrus |
| 5. Framboisier | 10. Prunus |

V. Plantes de terre de bruyère

- | | |
|------------------|-------------|
| 1. Erica | 4. Pieris |
| 2. Rhododendrons | 5. Magnolia |
| 3. Camélias | |

VI. Plantes grimpantes

- | | |
|---------------|-------------|
| 1. Ampelopsis | 4. Lonicera |
| 2. Clematis | 5. Wistaria |
| 3. Hedera | |

VII. Plantes vivaces, aquatiques, aromatiques et graminées décoratives

- | | |
|--------------|-------------|
| 1. Aster | 6. Gynerium |
| 2. Aubrieta | 7. Hosta |
| 3. Alyssum | 8. Nymphaea |
| 4. Campanula | 9. Thypha |
| 5. Festuca | 10. Thym |
