

Conifères

1. Cedrus atlantica
deodara
2. Chamaecyparis lawsoniana "allumni", "lane" et "fletcheri"
nootkatensis pendula
pisifera "boulevard" et "pilifera aurea"
obtusa "nana gracilis"
3. Cryptomeria japonica "elegans"
4. Cupressocyparis leylandii "castlewellan gold"
5. Cupressus macrocarpa "lutea"
arizonica "glauca fastigiata"
6. Juniperus chinensis "pfitzeriana"
communis "compressa" et "repanda"
scopulorum "skyrocket"
squamata "blue star" et "blue carpet"
7. Picea abies
pungens "koster" et "glauca globosa"
albertiana conica
8. Pinus griffithi
radiata
nigra
sylvestris
pineaster
mugo
9. Taxus baccata
10. Thuja plicata "atrovirens" et "zebrina"
occidentalis "emeraude" et "rheingold"

Arbustes

- | | |
|----------------------|--------------------------|
| Abelia grandiflora | Callistemon rigidus |
| Acacia dealbata | Caryopteris clandonensis |
| Acacia floribunda | Ceanothus delilianus |
| Arbutus unedo | Ceanothus impressus |
| Aucuba japonica | Ceanothus thyrsiflorus |
| Berberis darwini | Chaenomeles coccinea |
| Berberis stenophylla | Choisya ternata |
| Berberis thumbergi | Cistus crispus |
| Buddleia davidii | Cistus hybride |

Cornus alba
Cornus florida
Cotoneaster damneri
Cotoneaster horizontalis
Cotoneaster microphylla
Cotoneaster franchetti
Cytisus scoparius
Deutzia gracilis
Deutzia hybride
Eleagnus pungens
Eleagnus ebbengei
Excallonia macrantha
Excallonia hybride
Evonimus japonica
Evonimus fortunei
Evonimus europeus
Forsythia intermedia
Genista hispanica
Genista lydia
Genista racemosa
Hebe hybride
Hibiscus syriacus
Hydrangea
Hypericum calycinum
Hypericum hidcote
Hypericum mozerianum

Ilex aquifolium
Laburnum anagyroides
Lavandula officinalis
Leycesteria formosa
Olearia solandri
Olearia virgata
Olearia hybride
Osmanthus heterophyllus
Phormium tenax
Photinia fraseri
Pittosporum tenuifolium
Pittosporum tobira
Prunus laurocerasus
Prunus lusitanica
Rosa hybride
Rosa rugosa
Spirea bumalda
Spirea hybride
Teucrium fruticans
Teucrium chamaedrys
Viburnum davidii
Viburnum opulus
Viburnum tinus
Weigelia florida
Weigelia hybride

Vivaces

- | | |
|---------------------|-------------------------|
| 1. Aster | 11. Delphinium |
| 2. Aubrietia | 12. Dianthus |
| 3. Ajuga reptans | 13. Digitalis |
| 4. Aquilegia | 14. Heuchera sanguineum |
| 5. Achillea | 15. Hosta |
| 6. Alyssum saxatile | 16. Iberis |
| 7. Armeria maritima | 17. Festuca |
| 8. Astilbe | 18. Lupinus |
| 9. Acanthus mollis | 19. Sedum |
| 10. Campanula | 20. Vinca |

Arbres et arbustes frutiers

- | | |
|--------------------|----------------|
| 1. Actinidia | 6. Groseillier |
| 2. Castanea sativa | 7. Cassis |
| 3. Juglans regia | 8. Malus |
| 4. Corylus | 9. Pyrus |
| 5. Framboisier | 10. Prunus |

Plantes annuelles

- | | |
|-------------------------|----------------------|
| 1. Begonia sempervirens | 12. Sénecio maritima |
| 2. Ageratum | 13. Verveine |
| 3. Impatiens | 14. Surfinias |
| 4. Petunias | 15. Brachycome |
| 6. Salvia splendens | 16. Bidens |
| 7. Tagetes | 17. Coleus |
| 8. Nicotiana | 18. Gazania |
| 9. Lantana | 19. Lobelia |
| 10. Fuchsia | 20. Celosie |
| 11. Pelargonium | |

Plantes bulbeuses

- | | |
|-----------------|---------------|
| 1. Hémérocallis | 6. Crocus |
| 2. Liatris | 7. Narcissus |
| 3. Zantedeschia | 8. Hyacinthus |
| 4. Iris | 9. Gladiolus |
| 5. Tulipa | 10. Dalhia |

Plantes de terre de bruyères

- | | |
|------------------|-------------|
| 1. Erica | 4. Pieris |
| 2. Rhododendrons | 5. Magnolia |
| 3. Camelias | |

Plantes grimpantes

- | | |
|---------------|-------------|
| 1. Ampelopsis | 4. Lonicera |
| 2. Clematis | 5. Wistaria |
| 3. Hedera | |

Plantes bisanuelles

- | | |
|------------------------|-----------------------|
| 1. Viola hybride | 4. Myosotis alpestris |
| 2. Bellis perennis | 5. Primula hybride |
| 3. Cheiranthus cheirii | |

Ennemis des végétaux

Maladies :

- | | |
|--------------|-----------|
| - Marsoniana | - Rouille |
| - Oïdium | - Chancre |

Ravageurs :

- Pucerons
- Acariens
- Cochenilles

- Otiorrhynque
- Tipules
- Chenilles

Adventices :

- Mouron
- Plantain
- Seneçon
- Paturin
- Liseron

- Rumex
- Renouée
- Chenopode
- Capselle
- Fumeterre
